Attachment A: (Information From [redacted])

Appropriated for [redacted]  
Appropriated for [redacted]

TOTAL [redacted]

Both jobs combined by GSA for bid purpose: Successful bid was approximately [redacted] for both jobs.

Both jobs started in September 1969:

a. [redacted] Room to be completed November 15, 1969. Work is on schedule as of this date.

b. [redacted] room to be completed April 1, 1970.

A problem of distance for computer cable between 2nd floor and [redacted] Room 1st floor has been resolved.

Although a total of [redacted] was obligated for the two jobs and the successful bidder came in at approximately [redacted] we do not have [redacted] over obligated. This amount, [redacted] was spent for Government furnished equipment. Approximately [redacted] will be spent as a charge order to the original contract to beef up the existing computer room environments, and the remaining amount as contingencies to GSA.
